

Submitter: Anna Glanton

On Behalf Of:

Committee: House Committee On Economic Development, Small
Business, and Trade

Measure, Appointment or Topic: HB3329

I work in the Oregon film industry and I own a home in Beaverton. This is my living and source of insurance. These incentives are vital to bringing film work to Oregon without them there would be no interest in filming in Oregon. They would probably go to Canada or Atlanta.

Please support this bill without it my income would be severely reduced.
