Business, and Trade  
Measure, Appointment or Topic: HB3329

I work as a Scenic Painter in the film industry. I am a member of the Local IATSE 488 Union. I live in Portland, OR and I own a house that I pay for working in the film industry. Please support this bill, this is how I make money and support myself. Without film work I would not have insurance or be able to pay my bills.  
Thank you!
