

Submitter: jairus Smith

On Behalf Of:

Committee: House Committee On Economic Development, Small
Business, and Trade

Measure, Appointment or Topic: HB3329

I work in the film industry and this essential for my job as directly effect my livelihood. I bought a home here and have strived to be a part of my community and the work force here in Oregon.

These incentives are important to me and the work community I thrive in. We take pride in what we do and appreciate the support
