Business, and Trade

Measure, Appointment or Topic: HB3140

Dear Chair Nguyen, Vice Chair Dielth and Isadore and Members of the Committee,

I have been a Volunteer and a Assistant Crew Leader with the Trail Keepers Of Oregon for the past five years. I help build and maintain and clear logs off of trails up and down the coast from Tillamook to Coos Bay. It's very fun and rewarding, and has become a passion. I have meet people from all kinds of back grounds through trail work. I helped set up a gear library so that people who could not afford backpacking gear, could do overnight trips. We have to sign Waivers before any trail work event, if this bill doesn't get passed, it will make it harder for our group to help fix trails all around the state of Oregon. Thanks Ingrid Henrickson
