

Submitter:	Teresa Ramirez
On Behalf Of:	HB 3042
Committee:	House Committee On Behavioral Health and Health Care
Measure, Appointment or Topic:	HB3042

Unconstitutional provisions allowing forced medical evaluations without clear evidence.

Discriminatory targeting of naturopathic physicians compared to other licensed medical professionals.

Selective enforcement provisions that could silence dissenting or alternative medical voices.

Financial penalties & burdens that disproportionately impact small independent practitioners.

Vague and overbroad language that could allow arbitrary or politically motivated discipline.

You took an oath to up hold the Constitution
