

Submitter: Sharon Elwood

On Behalf Of:

Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB822

Please support SB822! As a practicing psychotherapist in Oregon for over 20 years I have witnessed the increased need for in-network providers. I receive requests on a daily basis from Oregonians looking for mental health providers in their insurance network and they report "no one is taking new clients". I am advocating for increased support of measures that will support mental health care access for all Oregonians.
