

Submitter: Michaela Lipsey

On Behalf Of:

Committee: House Committee On Economic Development, Small
Business, and Trade

Measure, Appointment or Topic: HB3329

The film industry supports hundreds of folks here in Oregon. Covid and strikes have already hit these crews hard. It is imperative that we support and build up the film industry to allow these families to thrive and stay in Oregon. All the wages they receive are taxed by Oregon, and the money they spend is primarily spent in Oregon. Please Please vote yes on this measure.
