Re: Support for House Bill 3187, the workplace age discrimination bill

I am a member of the Gresham Area Branch of the American Association of University Women (AAUW) and a member of AARP. I write this letter in strong support of House Bill 3187.

Oregon law must make sure that discrimination in the workplace based on age is unacceptable and illegal. Under the law as defined by courts, all employers have to do is point to another reason for an action unfavorable to its employees – even if age was a factor in their decision. This loophole is not fair. If it's age discrimination, employees should be given an opportunity to hold employers accountable.

Age is an asset to employers, not a liability. It is important to respect and value experience, not dismiss it. Employees should be judged on their abilities.

There may be situations where an employer needs to know an applicant's age, but not before a conditional offer is made. Right now computer programs receiving job applications can just automatically reject an applicant based on age – before anyone even glances at the application. This isn't fair.

Older Oregonians have to provide financial support to themselves and their families just as much as younger Oregonians. If they can do the job, they should be given an opportunity to do it.

I urge you to support House Bill 3187.

Sincerely,

Mary Jeanne Oliva
