Oregon State Legislature

House Committee On Economic Development, Small Business and Trade

Dear House Committee,

My name is Michael ‘Gonzo’ Gandsey, owner of T2 Audio in Portland, Oregon. My company provides post production sound services for feature films, both narrative and documentary.

My studio depends on the motion picture, digital media, and film production income tax credit to remain competitive in the global market.

In order to strengthen the positive impacts of the film and television industry in Oregon, and to stay competitive with other states, I ask your committee to please support HB 3329.

Thank you for the opportunity to testify.

Regards,

Michael ‘Gonzo’ Gandsey
