Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB2967

Esteemed House Committee,

My name is b nutting. I live in Portland. I'm writing in support of HB 2967. The high cost of living, which includes rental costs, negatively affects my life. As a youth peer support for work, I also see how how this impacts the youth I regularly support - some of whom are escaping unsafe situations.

This bill will improve equity for people like myself and also vulnerable populations across oregon, including Oregon's youth, by removing one of many barriers to housing that exists for so many of us.

Thank you for your time.
