

Submitter: Taylor Morden

On Behalf Of:

Committee: House Committee On Economic Development, Small
Business, and Trade

Measure, Appointment or Topic: HB3329

Being a small film production company in Eugene Oregon we are barely able to make ends meet and the tax credits provided through the Oregon film office and this program have been incredibly important in terms of keeping our small business alive and able to continue to make films in Oregon. If we were able to bring more productions into the state especially in areas like Eugene, we could really put Oregon on the map again for film and television and that would lift all of us in the industry up.
