

Submitter: Zander Saturnio
On Behalf Of: Sacred Organizing Coalition
Committee: House Committee On Education
Measure, Appointment or Topic: HB2953

I'm writing in support of House Bill 2953.

As a 14 year old 8th grader,

I would appreciate the support for those who learn differently. In my school, I have a classmate who has a learning disability, and I think it would greatly help him if he had support. This would help both him and others.

Please lend your support for this bill as well.
