

Submitter: James Johnson

On Behalf Of:

Committee: House Committee On Economic Development, Small
Business, and Trade

Measure, Appointment or Topic: HB3329

Legislators: I am writing in support of House Bill 3329. The film industry provides many benefits to the state. The good-paying jobs are very helpful to many people. In addition, many dollars are spent at filming locations throughout the state. I urge your support of this legislation. Kindly Yours, James Johnson
