

Submitter: Christine White

On Behalf Of:

Committee: House Committee On Economic Development, Small
Business, and Trade

Measure, Appointment or Topic: HB3329

My name is Christine White. I am an actor in Portland. I really want to be able to work more here. I can not afford to or desire to move to LA. If we can make more films here the city would benefit immensely. The crew needs places to stay and eat. It could be the big boost the city needs. Plus you can help so many of us actors live our dreams in our hometown.

Thank you
