Testimony to the House Rules Committee in support of HCR 10

From Nan Heim

February 17, 2025

Chair Bowman and Members of the Committee:

Thank you for considering HCR 10 this morning to honor former Representative, and, my former boss, Roger Martin.

Roger hired me in 1978 just as he was launching his new firm Martin and Associates. From the start, and for the next four years, working for Roger was a great learning experience and a lot of work. It was also a lot of fun! Roger loved the legislative process, politics and, of course, dinner parties. He enthusiastically enjoyed it all. Above all, Roger loved his wife Maggie and their family. I know that HCR 10 will mean a great deal to them. I urge your support.
