

Submitter: D Torres

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB3521

This bill is completely unnecessary.

Why would you want to penalize landlords at a time when we should be taking action to increase the housing supply? We should not be focusing on more regulatory burdens on the housing providers and landlords.

It is considerably difficult to understand why we are focusing on ridiculous bills like this.

I respectfully oppose this.
