Landlords need the ability to conduct their business. Untie our hands, please.
Allowing tenants to come up with rent up to the court appearance is crazy and unreasonable. Requiring a lease so that landlords can evict after 3 late payments does not help tenants. I'm in favor of no lease; what happens if the tenant has an event requiring him/her to move and they are stuck with a lease?
Landlords are selling their properties because of the mistreatment we are under.
Want more rentals? Be nice to the landlords.
