On Behalf Of:

Committee: Senate Committee On Human Services

Measure, Appointment or Topic: SB20

The proposed bill SB 20 is a crucial and necessary step towards updating current law and addressing common sense cost of living increases for Oregonians. Not only does it dramatically increase the likelihood of putting more Oregonians to work but it allows them to live a normal and healthy life without living solely on government assistance.

Please pass this bill and stand up for all Oregonians.

Sincerely

Sam Williams
