

Submitter: Catherine Livaudais

On Behalf Of:

Committee: Senate Committee On Human Services

Measure, Appointment or Topic: SB20

In my nearly 20 years as a social worker I regularly encounter individuals who are living with Medicaid benefits but are trapped in a state of poverty by the income restrictions. I support legislation that would allow those living with a disability on Medicaid to be able to work without any limitations on their income thereby allowing them to participate more fully in their lives.
