Management, Federal and World Affairs

Measure, Appointment or Topic: SB947

The Second Amendment to the U.S. Constitution states:

"A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms shall not be infringed."

SB 947 as submitted by James Manning and Floyd Prozanski joined by Senators Meek and Woods is nothing more than shame artists attempt to exchange words and reinvent 'Militia' with 'National Guard' in an attempt of telling Oregonians that they are somehow not a part of the 2A rights and that somehow their definition would pass muster at the Supreme Court Level. Quit wasting Oregonians money and go fix the roads, maintain the forests so the homeless quit burning them down doing drugs.
