On Behalf Of: M Oregon OPPOSES SB 310  
Committee: Senate Committee On Education  
Measure, Appointment or Topic: SB310

I OPPOSE [SB 310].

Both sides should appoint their own "fact-finder."

The Doctrine of the Coin Toss, "Heads I win, Tails you lose" has "No" place here.

Mr. Oregon Concur and says, "[SB 310] would not be needed if, Teachers are paid more, Have a significant reduction in class sizes, and extra time to prepare lesson plans and grade papers."
