On Behalf Of: Mr Oregon OPPOSES SB 313  
Committee: Senate Committee On Education  
Measure, Appointment or Topic: SB313

I OPPOSE [SB 313]. When is Oregon going to pay off its' severe and disgraceful indebtedness?

[SB 313] sets a dangerous labor control mechanism in play.

From the Text of [SB 313], "...(2)(a) The Oregon Department of Administrative Services shall develop an implementation plan for establishing a statewide collective bargaining process for licensed educators in this state.

(b) For the purpose of developing the implementation plan under this section, the department shall convene an advisory group,..."

\*\*\*The Oregon Department of Administrative Services will have too much authority in this matter.

From the Text of [SB 313], "... (a) Establish a framework for a statewide collective bargaining process for licensed educators employed in school districts and education service districts across this state.

(b) Examine salaries and benefits for licensed educators in relation to the state budget allocation for public school funding...."

\*\*\*"Licensed Educators are not all equal, some have tougher jobs than others. The School for the Deaf and Teaching and supporting Disability related children are a few examples.

From the Text of [SB 313], "...budget allocations for Public School funding..."

\*\*\*"Budget allocations..."Would not be an issue if more Lottery Funds were made available. Lottery Funds are being consumed by every Department in the State and the mere issuance of Lottery Bonds for Housing projects is a disgrace!!!

From the Text of [SB 313], "Consider methods for achieving additional funding for purposes of adjusting the salaries and benefits of licensed educators in the event that the estimated budget appropriation to cover such costs is determined to be insufficient...

... (f) Provide timelines for collective bargaining that aligns with the state budget

policy and process timelines...."

\*\*\*Ah at last, The "Central Planning Committee of the Politburo" will leave the apparatchiks of the Party dancing in the streets, whilst the battle cries of others will be, "Don't Tread on Me."
