The Oregon State Government and Governor need to look at decisions other Courts across this county have been handing down. The new bills they wish to pass are in direct conflict with the Constitution and the Bill of Rights. The Supreme Court has already ruled of most of the provisions they now are trying to pass. They do not have the right to try to change the meanings of words. The ATF found that out this past year. We the people of Oregon are getting fed up with the mis-use of our Tax dollars, to fight us in court on bills that are in direct conflict with the Constitution and Bill of Rights,. They are showing us they are the meaning of a Tyrannical Government..
