

Submitter: Donna Bleiler
On Behalf Of:
Committee: Senate Committee On Health Care
Measure, Appointment or Topic: SB530

I OPPOSE SB 530.

There is no ongoing accountability to continue grants indefinitely without reevaluation. Grants should only be approved for one biennium and then audited for accountability. The state must stop the waste of taxpayer funds, and this is not the fiscal responsibility taxpayers expect from legislators.

Grants do not create a Union for workers. If they need a grant to operate, it should be matching and fund raise for raises.
