

Submitter: Jasmine Book

On Behalf Of:

Committee: House Committee On Climate, Energy, and  
Environment

Measure, Appointment or  
Topic: HB2738

We have known for decades lead is dangerous, especially for young children. As a mother of two small children living in the Kenton neighborhood I would be delighted if PIR stopped using leaded fuel. We are way too close for comfort. The safety of our children must be our highest priority.
