

Submitter: Tonia Fox

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB179

I am writing to support SB 179 to help ensure the continued tradition of hang gliding and paragliding in Oregon. It's a common sense law that helps to protect land owners and also pilots like me who occasionally need to land on privately owned property as we fly across Oregon's beautiful landscapes. Free flight has been a tradition in Southern Oregon for 45 years! and it helps to bring tourism to the Applegate Valley small businesses through our flying events and community spectators. Thank you for helping to keep one of these great traditions alive by supporting SB 179. Sincerely, Tonia Fox, Secretary of the Rogue Valley Hang Gliding and Paragliding Association and Event Organizer for the Rat Route Flying Festival. ([www.ratroute.com](http://www.ratroute.com))
