Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB224

I OPPOSE [SB 224]. When is Oregon going to pay off its' severe and disgraceful indebtedness?

Protections are needed to prevent criminal activities perpetrated upon persons involved in our election processes.

[SB 224] adds protections but shields "accountability" from the 'Voters'.

What is needed are punishments designed to deter and hurt financially with mandatory jail time for those who would interfere with the election process.
