

Submitter: David Wall
On Behalf Of: Mr Oregon OPPOSES HB 2774
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB2774

I OPPOSE [HB 2774]. When is Oregon going to pay off its' severe and disgraceful indebtedness?

From the Text of [HB 2774], "... (b) The order of the court may include[, but is not limited to,] or, if the abuse involved the unlawful and reckless use, display or brandishing of a firearm by the parent who committed the abuse, shall include, at a minimum, the following:

[(a)] (A) That exchange of a child between parents shall occur at a protected location.

[(b)] (B) That parenting time be supervised by another person or agency.

[(c)] (C) That the perpetrator of the abuse be required to attend and complete, to the satisfaction of the court, a program of intervention for perpetrators or any other counseling program designated by the court as a condition of the parenting time.

[(d)] (D) That the perpetrator of the abuse not possess or consume alcohol or controlled substances during the parenting time and for 24 hours preceding the parenting time.

[(e)] (E) That the perpetrator of the abuse pay all or a portion of the cost of supervised parenting time, and any program designated by the court as a condition of parenting time.

[(f)] (F) That no overnight parenting time occur."

Who makes this stuff up?

[HB 22774] denies due process and has second Amendment of the Constitution of U.S.A. issues.

[HB 2774] is vague and ambiguous as to the "Firearm" abuse issue.

[HB 2774] can (and will) inflict emotional distress upon parent and child therefore is child abuse per se.

[HB 2774] can falsely label an innocent family member as a child abuser staining their reputations for life.

[HB 2774] has unknown costs to the taxpayer to perform, monitor and enforce its' dictates.

[HB 2774]'s monetary responsibilities are burdensome and oppressive, takes money away and could bankrupt a family making the family Homeless.

[HB 2774] compels society to become dependent upon the government service.

Enough is enough.

[HB 2774] is clearly a leftist control program designed to destroy the family and take

away our guns.
