

Submitter: Tonya Buzzard

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HR3

As a lifelong resident of the State of Oregon, I am appalled that this resolution is being allowed to take up valuable time and resources that should be given to things like the housing shortage, jobs, homelessness and drug addiction instead. You know, the important stuff that affects us all. There is limited time in each legislative session to get the important business of the State accomplished. This issue is not important.
