Dear Lawmakers,

Please vote YES on SB-641, China is an adversary of the US that is currently doing a military build up so they can go toe to toe with the US in a future military conflict.

China, Iran, and Russia have no business owning any property in the US where they could conduct spying/intelligence, sabotage, and attacks from within and this should be common sense. Please vote YES on this bill and stop China in their pursuits and aggressions against the US and keep the communist Gov't of China out of Oregon.

Thank you.
