I STRONGLY OPPOSE HR 3.

This bill exposes Portland's shadow that is behind a lot of Portland's issues and has no place in state governance.

"Whereas Portland's Black drag community is deeply rooted in an illustrious history of fantasy,..."

The bill, sponsored by a majority of Democrats is poking at President Trump for outlawing DEI, and perhaps poking fun at Christian Blacks for being awake and not Woke. If this is not the case, where is the bill to honor Christian Blacks for moral integrity and service to the greater statewide community, and not just their own kind? Black drags have done nothing to honor Oregon as a state and therefore not eligible to be honored by the legislature.
