Measure, Appointment or Topic: HB2565

I SUPPORT [HB 2565]. When is Oregon going to pay off its' severe and disgraceful indebtedness?

If "Federal Funded Research and Development Centers are exempted from public contracting code," Why is Oregon still practicing WOKE ideology with Diversity Equity and Inclusion (DEI)?

The Oregon Department of Energy (ODOE) has a juicy DEI program and it can be seen here:

Are "Federal Funded Research and Development Centers" going to be exempted from ODOE's WOKE laden DEI program?

It is unlikely Oregon will see much Federal Funding due to President Trump's defunding DEI programs throughout the Federal Government.
