Business, and Trade
Measure, Appointment or Topic: HB3140

Dear Chair Nguyen, Vice Chairs Diehl and Isadore, and Members of the Committee,

My name is Cindy Hayes. I am the current Treasurer of Oregon Outdoor Alliance and a mentor of Bend Outdoor Worx.

I love outdoor activities and support all outdoor activity operators. With higher insurance and operational costs related to more stringent liability waiver standards, many businesses will suffer financially and will not be able to provide services for people to enjoy, or alternatively the quality of their service may suffer. We want Oregon outdoor industry to thrive so I support the measure.

Thanks,
Cindy
