As my great dragmother Ru Paul once "tweeted" on that infernal platform ex:

"You can take performance enhancing drugs and still be an athlete, just not in the Olympics"

I lost my tiara as Ms. NoPortland 2019 to an inclusion girl with OHSU-funded tits. Drag performance needs to be ANTI TRANS. That's the point.

I say, let's let drag performance stay in its subversive zone - poking fun at stupid beauty pageants and false portrayals of "femininity," and maybe even the excesses of race-baiting politisluts like the sponsors of this bill. Once drag becomes the establishment, it loses its purpose poking fun at the establishment.
