As a native Oregonian, I am so very disappointed in the way some of our ELECTED officials are behaving. This state has unprecedented homeless, rocketing crime with no punishment, never ending tax increases, soaring drug deaths and last but not least, WE are last in education of all 50 states but wait...what are our representatives busy doing? Are they diligently working on these issues? Nope, they are addressing some need to honor black drag queen history. Are you kidding me? This is what hard working, tax paying, families are concerned about? Not in a million years. Oregon has become a clown show. I'm ashamed to say I was born and raised in the state that has become a 3 ring circus.
