Measure, Appointment or Topic: HB2305

Dear Chair Marsh, Vice Chairs Anderson and Breese-Iverson, and Committee Members,

I am writing in opposition to HB 2305, the three-strikes bill, before the House Committee on Housing and Homelessness.

My name is Marlee Baker and I am an Education and Outreach Coordinator for the Fair Housing Council of Oregon. In my role, I work closely with tenants, service providers, housing navigators, and advocates across the state of Oregon. I educate folks of all backgrounds and roles about the importance of fair housing law and history.

My experience working with vulnerable communities in Oregon gives me concern that this bill will unduly impact disabled tenants, tenants from marginalized communities, and tenants experiencing financial hardship. These groups are already over-policed by landlords, and establishing stable housing is a challenge for these groups.

This bill will make it easier for landlords to evict tenants for minor infractions. Although this is not the specific goal of the Bill's proponents, its overly broad nature will make it easy for bad actors to abuse it.

I sincerely urge you to protect Oregon's most vulnerable tenants by voting against HB 2305. You can aid those of us on the front lines of Oregon's housing crisis by focusing efforts on legislation that will make housing more available and more equitable for these groups.

Thank you for allowing me to submit my testimony and for your service to our communities.

Sincerely,
Marlee Baker
