Re: Support for HB 3090

Dear Chair Marsh, Vice-Chair Breese-Iverson, Vice-Chair Andersen and Members of the Committee:

Mohring Realty Group urges your support of HB 3090, which provides funding for a new round of the Homeownership Development Incubator Program (HDIP).

Programs like HDIP are crucial in expanding access to quality housing, fostering strong communities, and empowering more individuals and families to achieve the dream of homeownership.

This investment will not only support innovation in housing development but also create new opportunities for builders, developers, and future homeowners alike.

A record shortage of starter homes is driving up home prices and pushing the dream of homeownership out of reach for thousands of hard-working, modest-income families across, and we need this investment.

Sincerely,

William Mohring
