

Submitter: David Wall
On Behalf Of: Mr Oregon OPPOSES HB 2062
Committee: House Committee On Climate, Energy, and Environment
Measure, Appointment or Topic: HB2062

I OPPOSE [HB 2062]. When is Oregon going to pay off its' severe and disgraceful indebtedness?

[HB 2062] has 'No' budget to run the complex battery recycling program.

[HB 2062] is an enormous bureaucratic behemoth requiring untold mountains of taxpayer money.

[HB 2062] is constructed favoring 'Non-profit Corporations' who do not pay any Income Tax placing other businesses at a competitive disadvantage. Screw the 'Non-profit Corporations.'

[HB 2062]: Review, "...SECTION 15. Antitrust immunity..."

[HB 2062]: Review, "...SECTION 16. Confidentiality..." Provides for protection from 'Public Record Searches.'

***[HB 2062] is an exceptionally horrible piece of Legislation and as such should be rejected and denied with extreme prejudice.

David S. Wall

Mr. Oregon Concurs and says, "Antitrust protection, Confidentiality to stymie Public Record Searches and favorable treatment of Non-profit Corporations are enough for me to puke."
