

Submitter: Steven Roti

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB179

Dear Chair Prozanski, Vice-Chair Thatcher, and members of the committee. I am the president of Meissner Nordic Ski Club, a non-profit organization that grooms 30 miles of Nordic ski trails in the Deschutes National Forest in order to provide winter recreation opportunities for the Central Oregon community and for visitors. We believe trails are important for the health and enjoyment of individuals, families, and the community, and we are asking you to support lasting recreational immunity protections to keep Oregon's trails open by passing SB 179.
