

Submitter: Justin Gainer

On Behalf Of:

Committee: Senate Committee On Education

Measure, Appointment or Topic: SB604

As a student who was apart of Destination Western, I can so with all certainty that my college experience and adjustment would've been greatly affected without attending. Not only did my experience set me up for success in the classroom from the "classes" we took, it allowed me to make a group of friends and develop a sense of community before classes even started. Without DW, I wouldn't have met the people that have defined my college experience.
