

Submitter: Erik B

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HR3

For the record, I love and support all individuals of all Colors, beliefs and orientations and the progress they've made. My concern is the priorities of the state of Oregon. Of all the things, this is what the officials who represent Oregon citizens are prioritizing? I could safely say 99.99% of Oregon would rather you put this level of energy towards issues that affect 100% of Oregon Citizens.
