Measure, Appointment or Topic: SB5543

I OPPOSE [SB 5543]. When is Oregon going to pay off its' severe and disgraceful indebtedness?

Good afternoon!

From the TEXT of [SB 5543], "..SECTION 2. Notwithstanding any other law limiting expenditures, the amount of \$24,352,512 is established for the biennium beginning July 1, 2025, as the maximum limit for payment of expenses from lottery moneys allocated from the Administrative Services Economic Development Fund to the Water Resources Department for debt service."

[\$24,352,512] "...to the Water Resources Debt Service." Did I read [SB 5543] correctly?

If I did read [SB 5543] correctly, what can I say about a [\$24,352,512] Debt Service?

In addition, I note large amounts of Federal money in [SB 5543].

Look, by golly-a 'Diversity, Equity and Inclusion Plan' see below:

Oregon is a 'Sanctuary State with a DEI Plan' and a ton of Federal money. Yikes!

What will Elon and the DOGE Brothers say about Federal Funding for Oregon?

David S. Wall

Mr. Oregon Concurs and says, "President Trump does not like DEI."
