

Submitter: Laurie King

On Behalf Of:

Committee: House Committee On Climate, Energy, and  
Environment

Measure, Appointment or  
Topic: HB2738

It is a travesty to use nationally unlawful leaded gasoline near our community's children. This shows lack of respect for Portland's working class neighborhoods. I fully support the bill sponsored by Representative Travis Nelson. I am a long time St John's resident.

Thank you,  
Laurie King
