**Position on Bills at 2025
Session of Oregon Legislature:**

HB 2738: Support

The Consolidated Oregon Indivisible Network (COIN) is an affiliation of grassroots organizations throughout Oregon that promote progressive causes and legislation.

This bill prohibits the use of leaded fuel at race tracks in cities with a population of 500,000 or greater as of January 1, 2026. That means Portland Int'l Raceway. Many residents of the Kenton neighborhood have testified in favor of this. Note that NASCAR banned leaded fuel from its races in 2007.
