

Submitter: Bogdan Petran

On Behalf Of:

Committee: House Committee On Climate, Energy, and  
Environment

Measure, Appointment or  
Topic: HB2738

This is a great place for people to go and vent their race car needs in a controlled environment.

This would not be good for the car Community if they put a stop to PIR a lot of people will be reckless and take it out on the streets/ roads if they close the PIR Race track.
