Dear Chair Bowman, Vice-Chair Drazan, Vice-Chair Pham and members of the committee on rules,

I think it's incredibly important for Oregon to honor the history of Black drag in Oregon. Black queer people have always been an integral part to the queer rights movement and to the art form of drag. Black drag deserves to have recognition during Black History Month because of its past and current contribution to both the Black and queer communities, and I hope that you include it.

Thank you!
