Hello, my name is Maria Richmond, I am from Milwaukie Oregon. I recently have become a Doula as I know how good is to have this support while having a baby, not only for the mother but the whole family gets support. I am here in support of the bill SB 692 and SB 693. We Doulas are loving caring people and love helping mothers in the most beautiful moment of life as is to bring happy babies to this world. Thank you!
