

Submitter: Sean Heaton

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment or Topic: HB3062

As a business person that regularly advocates and helps companies with their real estate, I firmly against this bill. There are already too many reasons for companies to consider leaving Oregon, let alone attracting new ones from other states. Why is the bill even being considered when all it will do is force companies to leave as well as good paying jobs. Nothing with this proposed bill will generate economic success for the communities or the State. Please defeat this bill as soon as possible.
