Measure, Appointment or Topic: HB2342

I support HB2342 to increase the cost of hunting and fishing licenses. I have hunted and fished in three other states as a resident and the cost of licenses in Oregon is a bargain. In addition, this increase is necessary to provide ODFW the resources to manage the big game and fish in Oregon. Without this increase I'm concerned that the big game and fish resources will not be available to the next generation.
