

Submitter: Charles Kimmel

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB2977

Oregon's wildlife action plans are to maintain healthy fish and wildlife populations, sorely needed because many species are in trouble, particularly including nearly 300 "species of greatest conservation need." HB 2977, "1% for Wildlife" is cost effective and will critically increase funding to meet these goals, generating about \$30 million a year to help Oregon's most vulnerable fish and wildlife.
